Print length	: 333 pages
Paperback	: 641 pages
Item Weight	: 1.96 pounds
Dimensions	: 6 x 1.25 x 9 inches
Hardcover	: 494 pages

The conferences will cover a wide range of topics, including:

- Fracture mechanics

- Fatigue crack growth
- Fatigue life prediction
- Structural integrity assessment
- Non-destructive testing
- Materials characterization

The conferences will feature keynote presentations from leading researchers in the field, as well as technical sessions, poster sessions, and workshops. There will also be a number of social events, including a welcome reception, a conference dinner, and a guided tour of Barcelona.

The 20th and 21st International Conferences on Fracture and Fatigue are an important event for researchers and engineers working in the field of fracture and fatigue. The conferences provide a unique opportunity to learn about the latest advances in research and to network with other experts in the field.

Conference Venue

The 20th and 21st International Conferences on Fracture and Fatigue will be held at the Fira de Barcelona, a world-renowned convention and exhibition center located in the heart of Barcelona.

The Fira de Barcelona is easily accessible by public transportation. The closest metro station is Europa I Fira, which is served by lines L1 and L8. The airport bus also stops at the Fira de Barcelona.

Accommodation

A block of rooms has been reserved at a number of hotels in Barcelona for conference attendees. To book a room, please visit the conference website.

Registration

Registration for the 20th and 21st International Conferences on Fracture and Fatigue is now open. To register, please visit the conference website.
