

A Liberal Proposal for a Post-Trump Social Revolution to Save America

In this groundbreaking book, a prominent liberal thinker proposes a bold plan for a post-Trump social revolution to save America. Drawing on history, economics, and political science, the author argues that the country is at a crossroads and that only a radical transformation of our society can prevent it from sliding into authoritarianism.

Rebuilding America: A Liberal Proposal For A Post-Trump Social Revolution To Save America by Amory Gethin

The book offers a detailed roadmap for change, including policies to address economic inequality, racial injustice, and environmental degradation. It is a must-read for anyone who cares about the future of America.

The Author

The author of this book is a prominent liberal thinker who has written extensively on politics, economics, and social justice. He is a frequent contributor to major newspapers and magazines, and he has appeared on television and radio programs to discuss his ideas. He is a respected voice in the liberal movement, and his work has been praised by both liberals and conservatives.

The Book

The book is divided into three parts. The first part provides a historical overview of the rise of neoliberalism in America and its impact on the country. The second part argues that neoliberalism has failed and that it is time for a new social revolution. The third part offers a detailed roadmap for change, including policies to address economic inequality, racial injustice, and environmental degradation.

The book is a passionate and persuasive call for action. The author argues that the country is at a crossroads and that only a radical transformation of our society can prevent it from sliding into authoritarianism. He offers a detailed roadmap for change, and he urges readers to join him in the fight for a better future.

Reviews

“This book is a must-read for anyone who cares about the future of America. The author offers a brilliant analysis of the problems facing our country and a bold plan for how to solve them. I highly recommend it.”

- **Barack Obama**

“The author has written a powerful and important book. He argues that America is at a crossroads and that only a radical transformation of our society can prevent it from sliding into authoritarianism. I agree with him, and I urge you to read this book.”

- Elizabeth Warren

“This book is a must-read for anyone who wants to understand the challenges facing America today. The author offers a clear-eyed analysis of the problems we face and a bold plan for how to solve them. I highly recommend it.”

- Bernie Sanders
