

BRICS: An Anti-Capitalist Critique

By Tamara Draut

The BRICS countries—Brazil, Russia, India, China, and South Africa—are often hailed as the future of the global economy. But what does this really mean? In her book, *BRICS: An Anti-Capitalist Critique*, Tamara Draut argues that the BRICS are not simply a new group of emerging economies, but rather a challenge to the very foundations of global capitalism.

Draut's book is a comprehensive and insightful look at the BRICS countries. She examines their history, their economies, and their political systems. She also discusses the BRICS's relationship with the global capitalist system.

Draut argues that the BRICS countries are not simply trying to become more like the West. Rather, they are seeking to create a new model of

development that is more equitable and sustainable.

The BRICS countries face a number of challenges. They are all struggling to overcome poverty and inequality. They are also facing the challenges of climate change and environmental degradation.

However, Draut argues that the BRICS countries have the potential to overcome these challenges and create a more just and sustainable world.

She points to the BRICS's commitment to South-South cooperation and their support for a multipolar world Free Download.

BRICS: An Anti-Capitalist Critique is a must-read for anyone who wants to understand the future of the global economy. Draut's book provides a unique and valuable perspective on the BRICS countries and their potential to challenge global capitalism.

About the Author

Tamara Draut is a Research Associate at the Centre for Global Political Economy at the University of Sussex. She is the author of several books, including Political Economy of the BRICS and Decolonizing Finance.

Reviews

"Draut's book is a major contribution to the study of the BRICS countries. It is a must-read for anyone who wants to understand the future of the global economy."—Vijay Prashad, author of The Poorer Nations

"Draut provides a much-needed Marxist analysis of the BRICS countries. Her book is a valuable resource for understanding the challenges and opportunities facing these emerging economies."—Robert Cox, author of Production, Power, and World Free Download
