In her captivating book, *Chester: Images of America*, historian Joan Case takes readers on a visual journey through the town's fascinating history. With over 200 vintage photographs, the book provides a glimpse into Chester's past, from its earliest days to the present.

Through these evocative images, we see the town's humble beginnings as a small farming community. We witness its growth into a bustling industrial center, thanks to the construction of the Morris Canal and the arrival of the railroad. And we follow its transformation into a thriving suburban

community, as families from New York City and other urban areas flocked to Chester in search of a more tranquil life.

Case's book is more than just a collection of old photographs. It is a meticulously researched and engagingly written account of Chester's past. She provides detailed captions for each image, placing them in their historical context and providing fascinating insights into the lives of the people who lived in Chester over the years.

Whether you are a lifelong resident of Chester or a newcomer to the town, *Chester: Images of America* is a must-have for anyone interested in the history of their community. It is a beautiful and informative book that will be treasured for generations to come.

About the Author

Joan Case is a lifelong resident of Chester, New Jersey. She is a graduate of Douglass College and has a Master's degree in Library Science from Rutgers University. Case has worked as a librarian and a teacher, and she is the author of several books on local history, including *Chester: A Pictorial History* and *Images of America: Chester*.
