Synopsis

Dr. Zora Smyth is a brilliant young surgeon with a promising career ahead of her. But when she stumbles upon a deadly secret, her life is turned upside down.

The secret involves a new medical device that is being used to kill patients. Zora knows that she has to stop the device before it claims any more lives. But the people behind the device are powerful and they will stop at nothing to keep their secret hidden.

Zora finds herself in a race against time as she tries to uncover the truth and stop the device before it's too late. But as she gets closer to the truth, she realizes that she is not the only one who is in danger.
