In the depths of despair, a mother's love shines through.

Amanda Shelley's memoir, *He Saved My Boy*, is a story of hope, healing, and triumph. It is the story of her son, Sawyer, who was critically injured in a car accident and left in a coma. The doctors gave him little chance of survival, but Amanda refused to give up. She prayed for a miracle, and her prayers were answered.

Sawyer woke up from his coma, but he was severely brain injured. He couldn't walk, talk, or eat on his own. Amanda was determined to help her son recover, and she began a long and difficult journey of rehabilitation.

With the help of a team of dedicated doctors and therapists, Sawyer slowly began to improve. He relearned how to walk, talk, and eat. He also regained his sense of humor and his love of life.

Amanda's story is a testament to the power of hope and the love of a mother. It is a story that will inspire you to never give up on your loved ones, no matter how difficult the challenge may seem.
