Looking for a fun and effective way to teach your child to read? Look no further than ABC See Hear Do Level Sight Words!

This comprehensive program uses a multi-sensory approach to help children learn and remember sight words, which are essential for reading fluency. With engaging activities, interactive games, and online resources, ABC See Hear Do Level Sight Words makes learning to read fun and easy!

What are sight words?

Sight words are words that cannot be sounded out phonetically. They must be memorized by sight. The most common sight words are function words, such as "the," "and," and "of." Sight words make up about 50% of the words in the English language, so they are essential for reading fluency.

How does ABC See Hear Do Level Sight Words work?

ABC See Hear Do Level Sight Words uses a multi-sensory approach to help children learn and remember sight words. Each lesson includes:

- **Visual activities:** Children will see the sight word written in different fonts and colors. They will also see the word used in context in sentences and stories.
- **Auditory activities:** Children will hear the sight word spoken aloud. They will also hear the word used in songs and chants.
- **Kinesthetic activities:** Children will write the sight word in the air, in sand, or with play dough. They will also use their bodies to form the letters in the word.
- **Tactile activities:** Children will feel the sight word written on their backs or hands. They will also use sandpaper letters to trace the word.

By using multiple senses to learn sight words, children are more likely to remember them and be able to use them in their reading.

What are the benefits of ABC See Hear Do Level Sight Words?

ABC See Hear Do Level Sight Words has many benefits for children, including:

- **Improved reading fluency:** Children who know more sight words are able to read more fluently. This is because they do not have to stop and sound out every word.
- **Increased reading comprehension:** Children who can read sight words quickly and easily are able to focus more on understanding what

they are reading.

- **Increased vocabulary:** Sight words are a part of every child's vocabulary. When children learn more sight words, they increase their overall vocabulary.
- **Improved spelling:** Children who know how to spell sight words are more likely to be able to spell other words correctly.

Is ABC See Hear Do Level Sight Words right for my child?

ABC See Hear Do Level Sight Words is appropriate for children who are beginning to learn to read or who are struggling with reading fluency. The program is also beneficial for children with learning disabilities, such as dyslexia.
