What You'll Learn

In Principals: Improving Instruction, you'll learn how to:

- Create a culture of high expectations
- Provide effective feedback
- Support teachers in their professional development
- Use data to improve instruction
- Build relationships with parents and the community

Why This Book Is Important

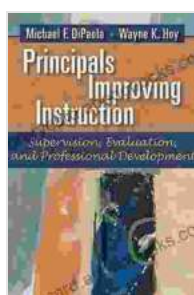

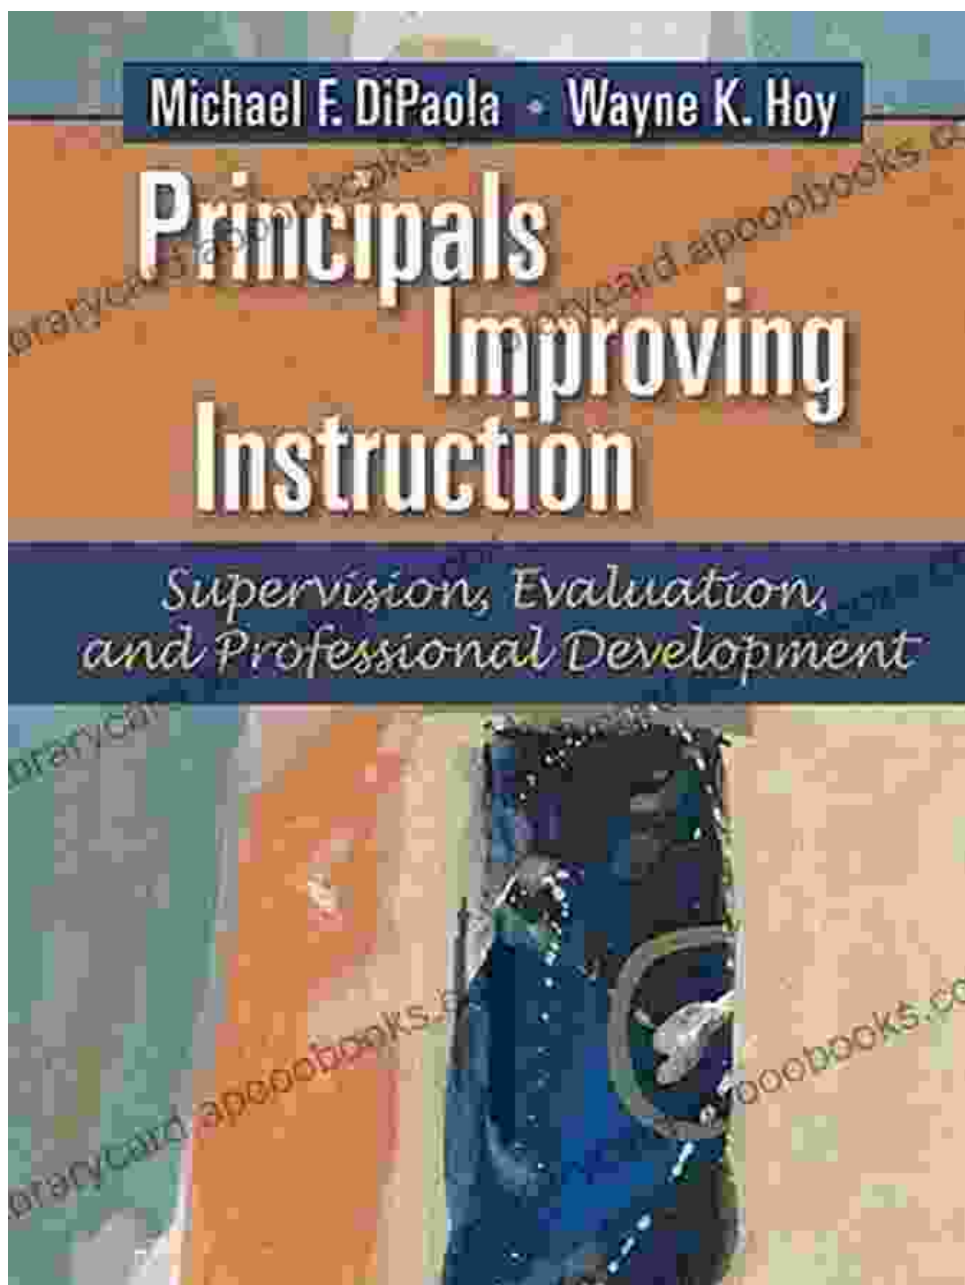

Principals play a critical role in improving the quality of education for all students. They are responsible for setting the tone for the school, creating a positive learning environment, and supporting teachers in their work. *Principals: Improving Instruction* provides the tools and strategies that principals need to be successful in their role.

About the Author

Jeff Strand is a former principal and superintendent with over 30 years of experience in education. He is a nationally recognized expert on school leadership and has written several books on the topic. Strand is currently a professor of educational leadership at the University of North Carolina at Chapel Hill.
