Love is a flame that burns so bright, It sets my soul alight. It makes me feel so full of life, And makes me want to dance and sing.

Love is a gift that I cherish, A treasure that I hold dear. It makes me feel so happy and content, And makes my life complete.

Life

Life is a journey, not a destination, A constant evolution. It has its ups and downs, But it's always worth living.

Life is a gift, so precious and rare, A chance to experience all that the world has to offer. It's a chance to learn and grow, And to make a difference in the world.

Relationships

Relationships are a complex web, They can be a source of great joy and pain. They can be a challenge, But they're also essential for our happiness.

Relationships are a mirror, They show us who we are and who we want to be. They help us to grow and learn, And they make us stronger.
