In the event of a nuclear attack, the remote wilderness of Alaska may be your best chance for survival. But surviving in this harsh environment will require careful planning and preparation.

**Take the Hit: Nuclear Survival in Northern Exposure** is a comprehensive guide to surviving a nuclear attack in Alaska. This book will teach you how to:

- Find food, shelter, and water
- Protect yourself from radiation
- Build a makeshift shelter

- Hunt and gather food
- Purify water
- Treat injuries
- Stay warm and dry

**Take the Hit** is written by a team of experts who have spent years researching and preparing for nuclear survival. This book is the most comprehensive and up-to-date guide available on this topic.

If you are serious about surviving a nuclear attack, then you need to read **Take the Hit**. This book will give you the knowledge and skills you need to survive in the aftermath of a nuclear explosion.
