Is crime an immoral choice, eliminated by tough punishment? Or is poverty its main cause, and social reform the remedy? Neither, says Tom Gash. Using the latest research, he demolishes the myths around crime – revealing that it is both far less rational and much easier to reduce than we thought.

'Richly researched, supremely sane ... From bobbies on the beat (they don't reduce crime), to the idea that "prison works" (it doesn't), Gash's important book may well change your attitude to criminality and the justice system'
P.D. SMITH, GUARDIAN

'At once detailed and readable, Criminal shows crime is as complicated as most kinds of human behaviour'
ANDREW NEATHER, EVENING STANDARD

'Takes eleven myths favoured by the right or left and does an effective job in demolishing them'
SORAB MILES, THE TIMES

'Serious but so startling ... hugely readable'
